

CENTRE FOR ACTIVE REHABILITATION

- About Us:** Our team includes a **Registered Physiotherapist, Certified Kinesiologists, Registered Massage Therapists and a Chiropractor/Accupuncturist** all supported by **Professional Office staff**.
- Our focus is to provide goal directed programs for our clients that will lead to restoration of function and a return to pre-injury capabilities.
- We offer:** Individualized programs
Evening appointments
Treatments for all soft tissue injuries, headaches, pain, post-accident rehab (MVA and WSIB), and general work or sports injuries
A bright spacious gym and private treatment areas
- Fees:** The CARE treatments and assessments are covered in whole (or part) by:
- Employee benefit plans
Rehabilitation benefits from motor vehicle accident insurance
Other insurance plans
WSIB
- Physicians and chiropractors can refer clients to CARE.
Lawyers and Insurance representatives can also contact CARE on a patient's behalf.
