

To My Dear Patients and Friends,

It is with mixed emotions that I wish to announce that I will be leaving Family Practice this year. It's been a wonderful 48 years and I'm humbled that you have entrusted your medical care to me.

It's time for me to move on and hopefully enjoy other pursuits that will enrich my life. I am leaving you in good hands.

Dr Massome Najafi has agreed to take over my practice at Malvern Medical Centre. She has been in practice for over 20 years and is knowledgeable, kind and compassionate. I know that she is very capable and that you will be well cared for.

With my very best wishes to all of you for a happy and healthy life.

Sincerely,

Dr. Lawrence Lerner, MD, FCFP
